

NEW MEMBERSHIP DATABASE

SHULCLOUD

WE'RE GOING DIGITAL!

Rosh Pinah is in the process of consolidating all of our membership information into one versatile electronic database: *ShulCloud*. We believe that this flexible database program will help us enhance our communication methods which, in turn, will allow us to better serve the needs of all of our members.

Our goal is to make sure that we have everything we need from *you* in order to offer you everything you might want from *us*. This includes the weekly president's announcements, the High Holiday mailing, flyers about special programs, reminders about yahrzeit dates, and information about the numerous other holiday services, programs and events that we plan throughout the year.

Please fill out the form on the following pages with **all** the information you are able to provide. (*Be assured that this information will be for our internal use only, and will not be shared or used for anything outside of our organization*).

After you've filled out the form, please return all 3 pages by **September 10th.**

You can either:

1. **scan it, and then e-mail** it to xword1@aol.com *or*
